

## **RDRA Committee Meeting**

**18<sup>th</sup> June 2018**

**Holmbush 8.30p.m.**

**Present:** John Kearsley (Chair), Sue Barrow (Treasurer), Rachel Harwood

1. **RDA update** – Rachel and John had attended a number of site meetings with the RDA and others, and John had exchanged numerous e-mails with the RDA chair over the past few months and, after much discussion, agreement had been reached whereby the RDA would carry out resurfacing of the section where damage had occurred. In this way, the road would be returned to its condition prior to the RDA works, except for 1 join, which is unavoidable, rather than having a number of 'filled potholes', which would deteriorate relatively quickly. Residents were given due notice and the work was carried out in May to everyone's satisfaction and without incident by Drivepoint. There was no cost to the RDRA. Rachel and John both expressed their gratitude to the RDA chair for all the time and effort in reaching this position.
2. **Defibrillator** – Following the committee meeting with Tom Cotton on 2<sup>nd</sup> October 17, and John's e-mail confirming Tom's action points the same evening, nothing further had been heard from Tom so John had sent him an e-mail requesting an update on 12<sup>th</sup> June.
3. **New occupiers** – Sue confirmed she had contacted the 3 new residents at Novello, Hartley and Camelias.
4. **Drivepoint** – John confirmed he had received a credit note from Drivepoint in respect of the invoice received in error for the recent RDA works and passed these to Sue.
5. **AGM** – It was agreed John would approach Mrs Broadhurst at Cranleigh Nursery School with a view to holding the next AGM on 25<sup>th</sup> July.
